MEMORANDUM FOR: Director, Operations/DPD

SUBJECT : C-130 Program

1. In order to effect a more efficient utilization of man power and to maintain the functional responsibilities of the several offices, Mr. Bissell has directed the Developments Branch, DPD, assume the obligations of the R and D aspects of the C-130 program. This responsibility has been further delegated to

2. Since this program has been administered previously by the Operations Branch, it is requested that a resume¹ be prepared for the Developments Branch outlining the R and D requirements, tasks, and the program progress to date. It would be most helpful for the resume¹ to include: a) requirements for R and D, b) tasks in progress, c) status of each task, d) program approval status for each task, and e) contact personnel for each program. The summation should also include any requirements for future R and D work desired by the Operations Branch to enhance the C-130 mission.

3. It is further requested that the Director of Operations, DPD, assign one of the Operations Branch personnel as a point of contact and liaison officer between Operations and the Developments Branch.
